Bible Direction for Life

WELCOME TO WESTSIDE

Westside Baptist Church is a place where everyday people, just like yourself, can experience God's love in a real and personal way. We are founded on the Bible and committed to sharing the timeless truths contained in its pages. Through straight-forward preaching from God's Word, reverent worship, and fervent prayer, lives are impacted and inspired for spiritual growth every week here at Westside.

Pastor Craig Houston

We hope you feel at home. Whatever your ethnic or cultural background, whether you are single or married, young or just young at heart, we would love to learn more about you and help you find your joy and satisfaction in Jesus Christ.

If you are looking for a gospel-centered church on the Kitsap Peninsula, or if we could serve you in any way, please let us know.

Grace and Peace,

TOGETHER IN SCRIPTURE

Genesis Introduction

Context & Credo: Setting the Table & Believing the Truth

As the very first book in the Bible, Genesis is foundational to all that follows. Genesis is a book of beginnings, explaining the origin of the most fundamental realities of our existence as human beings. The universe exists because in the beginning God spoke and it was so. Humanity exists because God created mankind, male and female, in his image and as his likeness. Marriage exists because it was not good for Adam to be alone. Sadly, Genesis is also a book of rebellion, detailing the devastating destruction that human sinfulness brought into God's very good creation. Sin exists because Adam and Eve believed the serpent more than their Creator. Human government exists to ensure that the shedding of man's blood does not go unpunished. The nations exist because God scattered the rebellious tower builders across the face of the earth. Most importantly, Genesis is a book of redemption, laying the foundation for the glorious rescue operation that is even now underway. Though we still live east of Eden, the followers of Jesus are headed back to the Garden City we have been exiled from for so long. Though we still experience the curse mankind's rebellion unleashed, the resurrection power that will destroy that curse is already at work in our hearts. Though the seed of the serpent is still at war with the seed of the woman, the head of that serpent has already been crushed. Though all the families of the earth have not yet received the blessing of Abraham, we ourselves have been given the commission to proclaim the coming of that Promised Seed to all nations. As we read and study this glorious book of beginnings, may the Lord open our eyes to see the wondrous things to be found in this, the first book of his law.

Conduct: Reshaping Our Walk

Despite impossible circumstances and the repeated failures of those to whom the promises were given, God continued to work out his promised plan of redemption. How have you been tempted to doubt the faithfulness of God's promises in your own life?

What aspects or portions of Genesis have you previously been tempted to set aside as boring, irrelevant, or distasteful? In light of the fact that God saw fit to place them in this foundational book of Scripture, are you willing to submit to his wisdom by giving even these passages a second look?

Book *of the* Month

J. I. Packer's *Knowing God* has become a classic of the Christian faith. It helps draw us closer in our relationship with God. It brings together two important facets of the Christian faith — knowing about God and also knowing God through the context of a close relationship with the person of Jesus Christ. Written in an engaging and practical tone, this thought-provoking work seeks to transform and enrich the Christian understanding of God, explaining both who God is and how we can relate to him.
