WELCOME TO WESTSIDE

Westside Baptist Church is a place where everyday people, just like yourself, can experience God's love in a real and personal way. We are founded on the Bible and committed to sharing the timeless truths contained in its pages. Through straight-forward preaching from God's Word, reverent worship, and fervent prayer, lives are impacted and inspired for spiritual growth every week here at Westside.

TOGETHER IN SCRIPTURE

Genesis 7:1–7:24 & Matthew 24:37–39

Context: Setting the Table

After a magnificent introduction (1:1–2:3), the “history of the heavens and the earth” (2:4–4:26) relates God’s abundant provision for his image bearers, their initial rebellion, and the ever-increasing wickedness of the line of Cain. The second section, the “book of the generations of Adam,” focuses on the corruption of the once-godly line of Seth. Telling the story of the coming of the great flood judgment, chapter 7 continues the third section, “the family history of Noah” (6:9–9:29).

Content: Hearing the Text

Read Genesis 7:1–7:24 & Matthew 24:37–39 together out loud.

Credo: Believing the Truth

It started out like any other day. The markets were full of people hurrying back and forth as they purchased provisions for feasts of all kinds. It was a day for weddings, the air full of last minute commands to friends and servants as the finishing touches were put on venues large and small. No one paid any attention to Noah or the God he claimed to represent. They were simply too busy with their own agenda to pay attention to someone so out-of-step with the times, a man who, as any right-thinking descendant of Cain could see, was clearly on the wrong side of history. Yet the wooden ark they had so flippantly chosen to ignore was in fact their only hope, even as the wooden cross still so despised by the world remains ours.

Conduct: Reshaping Our Walk

In what ways might we be tempted to either over-value animals and the environment (ignoring the uniquely exalted status God has given humanity) or to abuse them (forgetting that God cares about all the creatures he has made)?

The cross of Christ is the only hope of a humanity that is fast approaching the day of final judgment. How might we be tempted to be so consumed with the busyness of everyday life that we forget the urgency of the message of salvation we have been entrusted with?

Book *of the* Month *Discussion*

J. I. Packer's *Knowing God* has become a classic of the Christian faith. It helps draw us closer in our relationship with God. It brings together two important facets of the Christian faith — knowing about God and also knowing God through the context of a close relationship with the person of Jesus Christ. Written in an engaging and practical tone, this thought-provoking work seeks to transform and enrich the Christian understanding of God, explaining both who God is and how we can relate to him.

Book Discussion Today at 4:45 p.m.
